Message of Association President

Dear Vibrant Inner Wheel members,

Diamonds are forever and Inner Wheel too, we believe and want, must remain forever.

I really cannot express my happiness over the celebration of 60 years of Inner Wheel in India- Diamond Jubilee when I am the Association President. How lucky am I. And it becomes all the more important since in the 60th year of Inner Wheel in India we have our 5th IIW President from India Mrs. Abha Gupta.

Winston Churchill had said, "Study history, study history. In history lies all the secrets of statecraft." From the very beginning of the year as Vice President in 2013-14 I had thought of publishing a history book. I feel it is important as we must always know the roots from which we have grown so widespread and large. I had compiled and published history of my club when it celebrated its silver jubilee and then as DC in the 19th year of the District published its history and as it is said old habits die hard and so how could I remain behind when I am Association President.

It initially looked like an easy task but gradually I realized the magnitude of work involved. I had to use all sources and resources to compile the history of India. I had already asked then Incoming District Chairmen to provide information about their Districts in January 2014 itself. They readily obliged and before ICI I had gathered all the information. They provided me with information whatever and whenever I needed to the best of their knowledge. Then luckily I being a junky had my District Directories since 1997 through which I could gather information about Association Presidents, District Chairmen and AC members since 1997. History Book of PIIWP Minnaji too facilitated my work. District

Directories of the Districts received this year also assisted in cross checking of certain information. My own interest of keeping information about Inner Wheel came handy. Assn Directories- the so called Inner Wheel literature was helpful too.

PAPs too have helped me out by sending information of their year as Association President- their achievements and photographs of their year as leader from India. All helped me out. For those who are not with us, their information could not be collected much.

I have tried my level best to bring out the correct information but if there are any lacunae, lapses, slips, please I be forgiven. I have tried to give you a Darpan - a mirror of Inner Wheel and Kaleidoscope (display, medley) of Inner Wheel. You will for sure see how beautiful Inner Wheel is.

I dedicate the history of Inner Wheel in India to all those who have helped make Inner Wheel in India a history worth reading. With this I give you a glimpse of IW journey in India.

Diamond is for ever and Diamond Jubilee will be remembered for ever.

Long Live our Inner Wheel.

Love,

Dr. Rashmi Sharma

Association President and National Representative 2014-15

Message of IIW President

Dear Rashmi,

“Nothing can prevent your picture from coming into concrete form except the same power which gave it birth - yourself.”

Genevieve Behrend

It gives me abundant joy and pleasure Rashmi to write a message for your History Book which you plan to release on the great occasion of 60th year celebrations of Inner Wheel Clubs in India. It is indeed a fabulous idea to bring out this kind of publication at this historic landmark. We therefore need to begin our celebrations in the right earnest & in the right direction.

A splendid history is created and a spectacular niche carved by our inimitable doyens and pillars who have not only given us all a timeless vision but also put India on top of the world. It has been quite a journey for us all and very satisfying to boast. As quoted by J.J. Marine, “Challenges are what makes life interesting and overcoming them is what makes life meaningful.”

You are the light that the world needs. It's time you let it shine. The power is within us. We just need to believe in ourselves and we will surely win. Inner Wheel goes on illuminating the path. As we Light the Path, it is my hope that our visions will be realized thus giving meaningful and fulfilled lives to humanity worldwide.

Wishing you great success in all your endeavours.

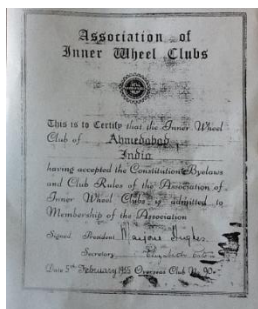

May God bless you.

With fondest affection

Abha Gupta,

International President 2014-15

Journey of Inner Wheel in India

Inner Wheel movement started on 10th January 1924 when the first Inner Wheel Club was formed in Manchester in 1924. It took 31 years for Inner Wheel to come to India with the first club being born in Ahmedabad 4th February 1955. Late Mrs. Minnie Rustom Camma was the first President of the club. She flew to Scarborough and brought the charter of this club. From 1955 to 1964 clubs grew to 27 in number.

In 1965, with such big number of clubs, the first District- numbered District 75 was formed. The founder clubs of IWD 75 were Ahmedabad, Anand, Porbandar, Surat, Bardoli, Nadiad, Navsari, Palanpur and Bulsar. It is the oldest District in the country. The District was formed at Ahmedabad under the guidance of Late Mrs. Dorothy Hitching, the then President of the Association of Inner Wheel Clubs of Great Britain. Mrs. Asma Mascati of Inner Wheel Club of Surat, District 305 (now presently in District 306) was the first District Chairman of the first IWD in India for the year 1965-66. She later became the 5th IIW Prerepresentative from India. Mrs Dorothy Hitching also graced the occasion with her inspiring presence.

The second District, District 315, in South was formed in 1966 with 15 clubs covering far flung areas of South & North Andhra Pradesh and Mumbai with Founder Chairman Mrs. Parviz Home Banajee of Mumbai.

In the very next year, in 1967-68 District 317 (South) was started which took birth in Old Mysore with Mrs. Malathi Ramakrishnan Rao from Bangalore (now in District 319) as the founder Chairman. She was the 3rd IIW Representative from India. District 317 (South) was formed comprising IWC Bangalore, Bangalore North, Bangalore South, Shimoga, Sakaleshpur and Mysore. Later on, IWC Tumkur and Hassan joined the District within

a few months. It is the third District formed in India which later got bifurcated into Districts 317, 318 and 319.

North was not left far behind. The fourth District of India was District 310 which was formed on 5th December 1968 by then IIW President Mrs. L. Weightman. Mrs. Meher Framjee of Agra (that time in District 310 and now in District 311) became the founder Chairman. Later on she became 4th IIW Representative from India for 2 consecutive years – 1972-73 and 1973-74. The first club of that District, Inner Wheel Club of Muzaffarnagar (club at the time of Undistricted India) was born in 1967 and attached directly to Association of Inner Wheel Clubs in Great Britain and Ireland. Meerut Club, the first club once the District was formed was made in 1969.

District 75 expanded. More and more Inner Wheel Clubs were formed comprising Gujarat, Rajasthan and Madhya Pradesh and the district was later on numbered as District 305 in 1968.

1955 onwards to 1968 was a period when efforts were made to give India place of importance on the International Inner Wheel map and finally India was given the privilege of having a National Council of Inner Wheel Clubs in India and Sri Lanka. Since the clubs in India had increased, it was a necessary step that a National Council would look after the working of the clubs in India and Sri Lanka and its head would be known as International Inner Wheel Representative – IIWR.

In 1968, when the National Council was formed, Dr. (Mrs.) Malati Rana of Navsari of District then 305 and now presently in District 306, Gujarat became the first IIWR. She held this office for two years– 1968-69 and 1969-1970. Till 1976-77 five more IIW Representatives were appointed.

1970-71 witnessed the formation of the fifth District in India– District 320 in 1970-71 down South. District 320 was spread over two countries – India and Sri Lanka and two states of India – Tamil Nadu and Kerala. The Inner Wheel District 320 was inaugurated at the District Assembly held at Trivandrum in 1970 by then IIW Representative Dr. Malati Rana. Mrs. Seetha Rajamony of Inner Wheel Club of Trivandrum took over as the first District Chairman. This District had clubs formed way back in 1960 onwards – Inner Wheel Club of Trivandrum was the first club in District

320 inaugurated in June 1960, followed by the Inner Wheel Club of Madras South (1963). These Clubs did not belong to any District but belonged to the National Council of Inner Wheel in India. 1966-70 saw the springing up of many clubs in the South. Colombo (1965), Calicut (1966), Madras (1966), Palghat (1968), Quilon (1967), Ranipet (1968), Alleppey (1970), Cochin West (1970), Cannanore (1970), Trichur(1970), Cochin (1971). This initiated the action of forming District 320.

Within 5 years of formation of District 305, in 1970 District 305 was further reorganized into 2 districts- District 305 and District 306. As a result District 306 came into existence in 1970 with 14 clubs. It included clubs from South Gujarat, Central Gujarat, Saurashtra and Madhya Pradesh. Mrs. Shardaben Pillai on Inner Wheel Club Bharuch became the first Chairman of District 306.

One more District, District 314, was formed in Western India in the Inner Wheel year 1970-71 from District 315. Mrs. Silla Ardhesir was the Founder Chairman who popularized the reading of the Inner Wheel Prayer at every Inner Wheel meeting and function in India. She was also CCC Chairman for 1st and 3rd Triennial Conference held in 1977 in Mumbai and 1983 in Trivandrum respectively.

1971 saw District 311 came into existence with the bifurcation of District 310 with Mrs. Sharda Bhargava of Varanasi as Founder Chairman and Deputy National Council member who became Association President of Association of Inner Wheel Clubs in India and Sri Lanka in the year 1977-78. In District 311, IWC Aligarh was the oldest club and IWC Allahabad the largest.

In 1974 two Districts were formed: District 317 and District 321.

Earlier, in 1968, District 317 (South) was formed. Many more clubs – Sirsi, Hubli, Hospet, Raichur, Punjim and Bellary Clubs were formed. In 1974 all these Clubs were joined to form the new Inner wheel District 317. Mrs. Kamala Iyengar from IWC Hubli took initiative in bringing all the Clubs together and formed new Inner wheel District 317 and Mrs. Kamala Iyengar donned the chair of Founder Chairman. Inner Wheel Club of

Sangli in the District was the first Club to be formed on 30th May 1967. It was known as non-Districted Club.

In the same year of formation of District 317, Inner Wheel District 321 was formed from District 320 with late Mrs. Lucille Amarasurya from Sri Lanka as the first chairman.

For Inner Wheel year 1975-76 Mrs. Nagamani Chandrashekhar took over as the last IIWR because in 1976 we were honoured to have our Association of Inner Wheel Clubs in India and Sri Lanka who's first President was Mrs. Rakshaben Mehta from District 314. In the same year, in 1976-77, the 1st Association Conference (now called Triennial Conference) was held in Mumbai in 1977. The Association Bye-laws were framed by Mrs. Parviz Home Banajee (founder Chairman of District 315), Mrs. Silla Ardeshir (founder Chairman of District 314) and Association President Raksha Mehta. Since then we have been having Triennial Conference every three years.

In 1977-78, District 310 was bifurcated into 310 and 309. Mrs. Minna Kapur, later to be the 1st IIW President from India took over as a 1st Chairman of District 309.

Inner Wheel year 1977-78 also saw the advent of four more Districts – District 318 and District 319 in South carved out of District 317 (South) and District 329 in East. District 318 was formed with Mrs. Mohana Chakrapani from Bangalore (now in District 319) as the founder Chairman and IW District 319 started with Mrs. Anusuya Venson also from Bangalore as the first Chairman. The existence of District 317 (South) came to an end.

1977-78 also saw the formation of District 329 with Mrs. Aarti Srimal as first District Chairman. Inner Wheel movement started in the eastern zone in the year 1961 with the formation of IWC South West Calcutta under the leadership of founder President Late Mrs. Arati Dutta and founder Secretary Mrs. Roja Bradney. In 1977 District 329 was formed under the leadership of Association President Mrs. Raksha Mehta in 1977 with 4 clubs- South West Calcutta, South Calcutta, Darjeeling and Guwahati.

In year 1983-84 Bangladesh joined the Association and separated after a year.

1984-85 saw the formation of District 312 due to bifurcation from District 311. Founder Chairman of the District was Mrs. Prabha Bajpai.

1985-86 of Inner Wheel also witnessed formation of 9 more Districts – 301, 308 from District 309 and 310 and 307 from District 309 in North; District 304 in Central India and District 313 in West; Districts 325 and 326 in East and District 316 and 323 in South. Another significant development was that Sri Lanka was bifurcated from India's District 321 and an independent District 322 was formed comprising of all clubs in Sri Lanka. Thus, Association of Inner Wheel Clubs in India and Sri Lanka was now called Association of Inner Wheel Clubs in India.

District 310 once again bifurcated and District 301 was formed. Mrs. Anita Aggawal, who later became the 2nd IIW President from India was the founder Chairman.

District 307 was carved out of District 309. Founder Chairman of the District was Mrs. Chander Prabha Gandhi of Phagwara Club was the founder Chairman.

District 308 came into existence on July 1985 as a result of the bifurcation and reconstruction of Districts 309 and 310. Mrs Nira Nath, from Ambala became the founder Chairman of District 308.

In the same year District 304 was formed in mostly out of District 306 with 7 clubs – Bhopal, Indore, Khandwa, Indore Central, Mandsour, Itarsi and Godra. Dr. Shyam Verma of Indore was the founder Chairman.

In west, clubs from District 314 and 317 were bifurcated with 7 clubs of District 314 and 2 clubs of District 317 to form a new District– District 313. PAP Mrs. Charu Chinchankar of IWC Poona was the founder Chairman.

With Dr. Saraswati Devi from Biharsharif, as founder Chairman, District 325 was also formed in 1985 with four clubs – Darbhanga, Biharsharif, Hazaribagh and Gaya.

District 315 included Andhra Pradesh, Orissa and Madhya Pradesh and the vastness of area created operational problems. With Mrs. Lalita Jain from Raipur as founder Chairman, District 326, which was earlier a part of District 315, came into existence to ease governance in 1985-86. IWC of Raipur chartered in 1972 is the first club in the District followed by Cuttack, Baripada and Jagdalpur in 1982.

Down south District 316 was carved out of District 318 and thus few Andhra and few Karnataka clubs were in that District. The founder Chairman was from Bellary, Mrs. Indira Dhar.

Another District in the South which came into existence is District 323 with Mrs. Kalaimagal Swaminathan of Vellore as Founder Chairman. It came into being as a break away from District 320 with its geographical boundaries covering all of Tamil Nadu and parts of Kerala. Inner Wheel Club of Madras South, the first club formed in South India, belongs to IWC District 323, thus giving us the distinction of being the District where the Inner Wheel movement was first started in South India. It is in fact the second club to be formed in India, after Inner Wheel Club of Ahmedabad.

In year 1991-92 District 314 once again was bifurcated and District 303 was born with Dr. Trupta Davalbhakta, IWC Jalgaon, as Founder Chairman. Inner Wheel District 303 was formed with 13 clubs with Nasik District, Jalgaon District and Vidarbha region of Maharashtra.

The very next year in 1992-93 District 329 too bifurcated and District 324 and 328 (Bangladesh) were formed. Mrs. Purabi Roy from Asansol was the Founder Chairman of District 324. District 315 too once again got bifurcated and Inner Wheel District 302 came into existence on 1st July, 1992. Founder Chairman of the District was Mrs. Kamala Viswanath of Vijayawada.

In 10 years after formation of District 323, it got bifurcated into District 323 and 298 and thus District 298 was formed in 1995 with Mrs. Shymala Venkataramanan as first District Chairman. She belongs to IWC Mayiladhuthuria.

Inner Wheel is an organization we love. I am very proud to say that we have the largest number of clubs and members in the world. We are world number 1 in Inner Wheel world.

IIW Representatives of National Council of Inner Wheel Clubs in India and Sri Lanka

Dr. Malati Rana

She was the first IIW Representative from Navasari (earlier in District 305 and now in 306) for two years- 1968-69 and 1969-70. She was able to consolidate the clubs and take the initial steps to give a firm direction to Inner Wheel in India. She could not have envisaged India becoming the leading country in the world.

Dr. Dipika Shah

Dr. Dipika of Ahmedabad, again from District 305, became the IIWR in 1970-71. She continued the efforts to give a strong foundation to Inner Wheel.

Malathi Ramkrishna Rao

3rd IIW Representative from Bangalore (earlier District 317 (S) then in 318 and now 319) in 1971-72, Mrs. Malathi R. Rao was also 1st District Chairman of District 317 (S) in 1967-68. She was a firm disciplinarian and many of us have very fond memories of her leadership.

Meher N. Framjee

The 4th IIW Representative was Mrs. Meher Framjee from Agra (earlier in District 310 and now in 311) for 2 years in 1972-73 and 1973-74. Meher was a very petite, graceful and wonderful leader who lived in Agra physically, but actually lived in the hearts of all with her immense charm and rapport with so many of us. She later moved to Mumbai, District 314. A 'Role Model' to most of us, she was extremely active and was seen at most of the Triennial Conferences.

Asma Mascati

Association President Kamala Ramakrishnan (District 323)

Known for her stardom and an example of beauty and brains, Kamala was born in Madras though her schooling and college education was from Hyderabad. Graduate in Library and Information Science, Post Graduation in Political Science, and Diploma in French and German language, earlier she worked as freehold journalist and later for 10 years ran a successful distribution agency. At present she is Managing Partner of Inclinks, a company that handles newsletter and other corporate communications for companies.

Her stint with Inner Wheel started with becoming member of IWC Madras in 1974. She became Club President in 1985-86. As District ESO she established 8 new clubs. During her District Chairmanship, in 1995-96, she motivated clubs to take joint projects at paediatric ward of cancer institute.

Kamala was Association

Secretary in 1996-97. In 2000-01 she was President of Association of Inner Wheel Clubs in India. Memories of her year include:

- Installation: With a sense of pride and humility she bowed her head to receive the collar, the mantle of Presidentship from Renu Baljee at hotel Savera in Chennai. The Chief Guest was Mrs. Rajani Rai, Governor of Pondicherry, who endeared herself to the audience by explaining that she was not only an Inner Wheel member but the founder Chairman of District 315. The Installation and AC Meeting was the beginning of what was to be a memorable year indeed.

- Travelling: Travelled in an unreserved compartment from Chennai to Trichur as her ticket never got confirmed. But at the end of her journey were smiling faces that never let on that they were waiting in cold stations for her to arrive. It made all the discomfort of travel so worthwhile.

- Celebration of Her Birthday: While every District visit was a memorable one, one Assembly took on a special significance, that of District 305. Her dearest friend Gul whom she misses a lot today, was the Association Vice President then and a PDC of the District. Kamala arrived by train into Gwalior at 2.30 am, thanks to a plane connection gone wrong, but District Chairman Jatan was there with her EC and her son who started singing Happy Birthday to her at the station and she remembered it was her birthday. Hours later, with the District Committee and Business Session behind them, a huge birthday cake was wheeled in before her embarrassed face and for the first and only time in her life she cut a birthday cake! She was so touched with all that affection.
- Projects: In District 301, under Chairman Indu Gupta, 22 clubs came together to take on a joint project at 'Aanchal', a centre for mentally challenged children. IWC Kanpur West of District 311 took her to show the number of projects they executed in Laskhmpat Singhania's hospital. They donated a blood chamber in which 65 bottles of blood could be stored. District 314 inaugurated the rural projects at Vakdi village undertaken jointly by the clubs of District 314 and the Kushtarog Nivaran Samiti. 40 villages were adopted with the ideals of making

them hunger free and self sufficient in water. A mammoth project with PAP Raksha Mehta as the guiding spirit.

- She presided over 9th Triennial Conference held during her tenure as Association President in Chennai in 2001 which remains as her single most memorable takeaway of her year as Association President.
 - Bombay Jaishree, Oscar nominee for her 'life of Pi' song , rendered the invocation song.
 - A great personality like Dr. Karan Singh inaugurated the Conference giving a fabulous inaugural speech.
 - IIW President of the year, Vivienne Bolton was with us thru the Conference.
 - Then MP and now Ex minister of Environment, Jayanthi Natarajan, delivered the valedictory address.
 - Very few resolutions were to be handled, giving an opportunity for other programmes to be thought off.
 - Swami Suddhananda moved all delegates spiritually.
 - Panel discussion was held in which all heard idealistic Sudha Narayanmurthy which was intellectually and emotionally inspiring.
 - Entertainment added to make the Triennial a great experience.
 - Sadly, Bhuj earthquake destroyed Bhuj a few days earlier. The Triennial was dedicated to the victims of the earthquake and the money left over from the Triennial Conference was donated to a lovely project that was executed the next year, in Bhuj, under the guidance of PAP Raksha Mehta.

After being a successful Association President, it was not the end of the road for her, as Kamala went on to be IIW Board Director in Convention year 2002-03, first IIW Editor from India in 2003-04 and finally the IIW President in 2007- 08, the 3rd from India, when she envisaged South Asia Rally, which is very popular and till date 3 of them have been organized.

5. Brief History of the District

District 307 has been through interesting evolutionary stages to reach its present status. In the Beginning, the past District 310 covered far flung areas stretching from Jammu & Kashmir, Himachal Pradesh, Punjab and Haryana. As the Inner Wheel movement picked up momentum, its growth necessitated carving out other Districts. In 1976-77 Chairman was Mrs. Chand Bhasin when the bifurcation took place and District 310 was divided into District 310, 309 and 308.

The present District 307, at that time came under District 309. In the glorious years from 1977 to 1985, District 309 was headed by some wonderful personalities whose work selflessly and unconditionally brought high laurels to the District and elevated its position in Inner Wheel horizons.

Once again bifurcation took place in the year 1985. This time, District 309 was divided into District 309, 301 and 307. Mrs. Jagbans Toor then Chairman of District 309 handed over District 309 to Mrs. Purnima Vohra, District 301 to Mrs. Anita Aggarwal and District 307 to Mrs. Chander Prabha Gandhi.

This ceremony took place at the District Assembly held on 14th July, 1985 in Ludhiana. No doubt, the bifurcation of our District into three parts gave a melancholy note, but everyone understood that it was very much needed as Inner Wheel was expanding eager to spread *Friendship and Service* further. Each newly formed District soon got busy planning new schemes and designing new projects.

5. Brief History of the District

District 318 has been through various evolutionary stages to reach its present status. It is a part of 3rd district to be established in India in 1967-68– District 317 (South). This district took its birth as District 317 (South) in the old Mysore state with Mrs. Malathi Ramakrishna Rao as the Founder Chairman. In 1974-75 317 (South) got bifurcated into 317 (South) and 317. As the IW movement picked up momentum, its growth necessitated once again bifurcation of the district in 1977. The District 317 (South) was divided into 318 and 319. Thus came into being the present district 318 and history was made. The District 318 today covers eight revenue districts in the southern part of Karnataka namely Chikmagalur, Dakshina Kannada, Hassan, Kodagu, Shimoga, Mysore, Chamarajanagar and Udupi.
